Items

Items: 2x linking pins, 3x magnetic bars, complete **Twist** stands.

1. Place assembled **Twist** stands next to each other.

2. Place linking pins in top and bottom finishing strips.

3. Link the two together and apply magnetic bars to magnetic tape on reverse of graphic panel.

4. If graphic requires aligning, stand in front of **Twist** stands and place your finger at the bottom of the panel at the join, lift the lower graphic upwards to align graphics taking any slack to the top.
